

The Greatest Theme in the Bible!

Probably the greatest theme in the Bible is God's love for us. God declares His love for us over and over and over again. And these are not just empty words. He backs it up with His actions!

Of course the greatest proof that God loves us is the fact that Jesus came and died for us. Many know this wonderful verse in the Bible, "For God so loved the world that he gave His only begotten Son that whoever believes in Him should not perish, but have everlasting life," John 3,16.

Love has many elements, and God uses them all! Of course He had compassion on us. He saw that we were in great need because of our sins. However His love goes much further than compassion or mercy.

He Loves You!

It was His great desire or longing for us, to be united with us, that brought Him to the cross. The Bible says that for the joy that was set before Him, Jesus endured the cross. This joy was there because He knew He was dying to set us free from our sins and to become one with us. That is the love of God!

You see friend, God loves you more than you can think or imagine. In one place in the Bible, someone prayed that we would know the "width, length, depth and height of the love of God, which passes knowledge!" That is why these lessons are more than information about God. They are an attempt for you to realize and experience His love for you, and to come into a living relationship with Him.

He Cares for us!

God's love for us can be seen in the most elementary levels of our life. In other words, He takes care of us! He is our Heavenly Father, and a good Father at that! He wants to free our lives from the worries, cares and anxieties that plague so many of us!

Read for instance Matthew 6,25-34. Here, Jesus describes the care that our heavenly Father has for us. He mentions worry six times: Do not worry about food, about clothing and even about how tall we are. Our heavenly Father knows just what we need and will take care of these things! Instead, get to know God and His ways. He will take care of us!

Start Trusting Now!

So you can begin your walk with God on a trust level! Start to ask Him for your needs, and then trust Him to meet those needs. That means that you do not worry. Instead, ask Him for what you need and then thank Him for the answer. Watch and see how He will bring it into your life.

His care for us of course extends to all areas of our life, not only for our physical needs. When we were children, we had children size problems. But as adults, we have adult size problems! But the same principle of trusting God applies. He cares for you! He cares about every aspect of your life, not only about what you eat or drink, but who you marry, what you do for a job, life in your community and so on. His loving care extends to you

in each and every situation. He is there to lead you, protect you, heal your emotions, forgive you, give you wisdom, give you strength and so on.

In every phase and facet of our life, He is ready to take an active part, to ensure the best outcome possible for us. He is able to make all things work together for our good!

Give Him your Heart!

The way to experience this is to give your life to Him! Come to Him on a daily basis. Share your heart with Him. Listen to Him in prayer and through His Word. Follow His instructions in His Word. You will experience the greatest love possible in the world, the love of God! What a wonderful God we have!
